Your PARTNER for All Things Technology

Deliver better e-commerce with our latest innovation!

Batesville's Floral Select™ defines "choice" in every sense of the word. Introducing a floral program where the choice is yours.

- ✓ Transparent pricing: no hidden fees – consumers pay the price they see.
- ✓ Guaranteed on-time delivery from your trusted florist(s).
- ✓ No-hassle floral program: support handled by florist and Batesville.

Are you ready to select the local florist(s) you'd like to partner with and earn the best commission in the industry?

No set-up fees, no monthly hosting – just an unmatched, professionally-crafted solution for your funeral home with a Batesville-built website!

Choose your local florists and set your commission rates!

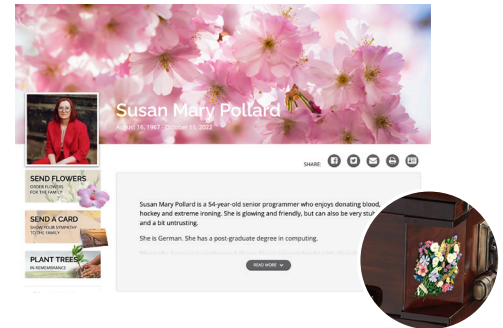

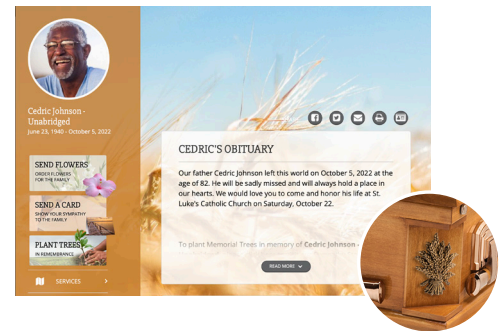

Don't delay! Reach out today to learn more about a free website from your partners in the industry! Call us at **800.297.6177** or email Technology.Solutions@Batesville.com.

FREE professionally-crafted websites from your trusted partner in the industry.

Our websites are created by experienced professionals who understand the funeral industry and know what it takes to build a website that accurately reflects the brand, values and offerings of your funeral home.

Help families honor the lives of those they love through unmatched personalization on each obituary!

Plus, with a Batesville-built website, you'll have access to the full library of Family Choices® personalization designs for use in online obituaries, providing a meaningful consistency through every element of the service.

Features that take your website to the next level:

- ✓ Interactive Obituaries
- ✓ Memorial Tribute Videos
- ✓ Sympathy Cards
- ✓ Memorial Donations
- ✓ In Memory Tree Planting
- ✓ Integrate Live Stream Services
- ✓ Grief Support by Dr. Alan Wolfelt
- ✓ Management Software Integrations
